## Project Overview

Starts from  
**11.000** <sup>M<sup>2</sup></sup>

It is a housing project developed by a well-known construction company in Turkey.

The project was built on a land area of 11.000 square meters and it contains 432 apartments of 1+1 and 2+1 types, and 30 shops.

Each apartment is equipped with electric cooker, oven, refrigerator and air filter.

## Project Site

The location of the project in Basin Express indicates that it is within the area of gathering of hotels, large companies, shopping centers, commercial and educational centers as well as hospitals and universities, and this area was specifically designated as the best destination for real estate investment in Istanbul for the years 2019, 2020.

The most prominent feature of this project is its location between the main roads in Istanbul, E5 and TEM Highways which provides easy access to Istanbul International Airport.
