## Project Overview

Project area  
**34.640** M<sup>2</sup>

It is collected life, prestige, and luxury in the center of Istanbul where millions meet every day.

The project has constructed in a land area of 34.640 square meters, and it contains 353 units.

The project consists of three towers which are 160 meters high from the ground, one for offices with 36 floors and two for residences with 42 floors and garden offices.

## Project

# Overview

The project consists of two residential blocks with 42 floors and one office block with 36 floors.

Consisting of three towers with one for offices and two for residences and garden offices, the project is preparing to bring a new aspect to the area by changing the appearance of Mecidiyekoy with its different office alternatives, rich residence life and modern city square.

The towers display the distinctive panoramic scenes of the city reaching out for the Marmara Sea and particularly the Bosphorus with all its facades thanks to its design.

The most charming towers of Istanbul, with new architectural alternatives.

The 2-storey garden office with its infrastructure of advanced technology, with its view overlooking the courtyards and the special landscaping at the gardens impress all those, who are looking for pleasure and comfort together in their business life.

## Project

# Overview

The project offers apartment types that vary between 1+1, 2+1, 3+1, and 4+1.

The apartment areas ranging between 100- 425 square meters.

Exceptional living center including sports area, social zone, lounge area, and private kids club all in one complex.

The project provides new definitions for the business world and modern life.

This project brings a new breath and a new perspective to Istanbul, the world's most colorful and cosmopolitan city.

Welcome to the brilliant world of this project rising up with our philosophy "WORTH TO INVEST, WORTH TO LIVE" in Mecidiyekoy located in the center of Istanbul, by the side of the Bosphorus Bridge and at the heart of the business world.

The project is ready, and it is suitable for Turkish citizenship.

## Project Site

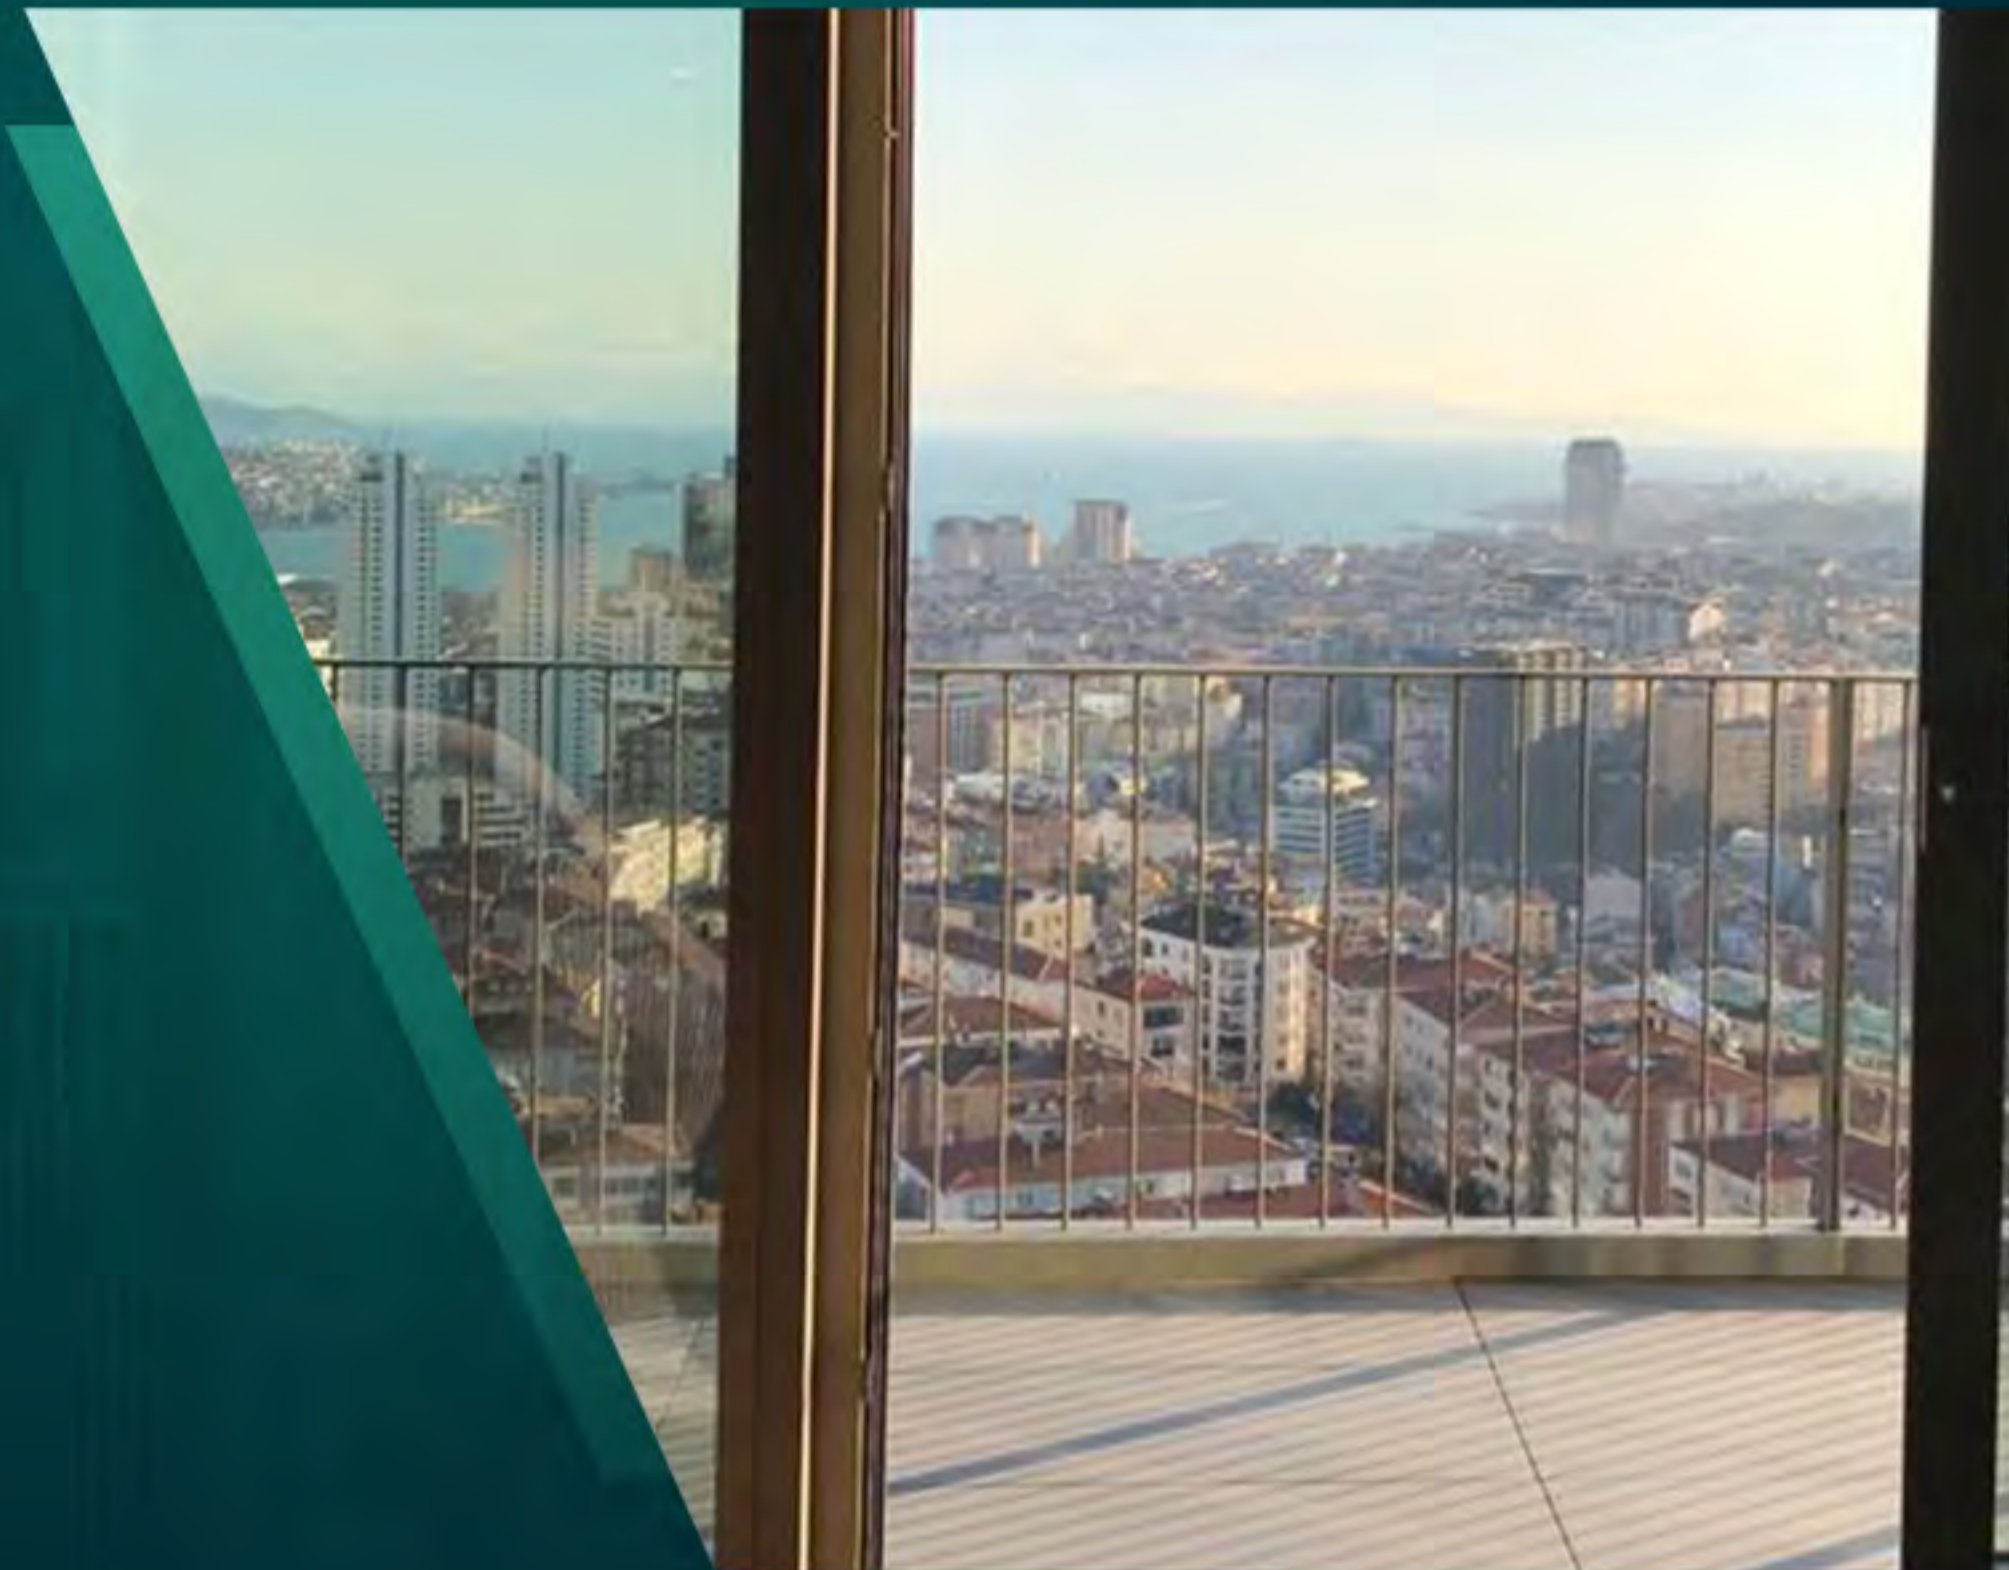

The project is located just beside Bosphorus Bridge in Mecidiyekoy, the new axis of the business world.

The project is located in the center of Sisli, the fast-growing area, and the center of business.

Mecidiyekoy becomes the real center of Istanbul with this project.

Located at the junction of alternative public transport options such as metro and metrobus, the project comes to the fore as the most convenient offices for both sides of Istanbul.

The project located in one of the most popular districts on the European side of Istanbul, Sisli, the growing area that attracts investors' attention currently, and recognized by easy access to most of the vital places in the city, and its proximity to the shopping centers, airports, hospitals, universities, and schools.

## Project Site

The project is located near Taksim Square and Levent, and it is close to shopping malls, the fast side, and Istanbul's third airport.

Sisli area is considered as one of the most important areas that attract real estate investors due to its central location in the heart of Istanbul.
