Project

Overview

The project is located in the heart of the ancient city of Istanbul. Which is considered one of the most important commercial and touristic areas, Sarıyer. Sarıyer is considered one of the most important areas in Istanbul, as it is the most fortunate area containing all the important head quarters of international brands. It is characterized by the presence of towers and skyscrapers. Not forgetting that she miss on the outskirts of the biggest forest in the city, Belgrad.

Project

Overview

This project was made to suit people that interested in nature and still be with the city center reach.

Project

Site

- The project is divided to two main phases, the first phase was ended over a few months ago. While the second phase is currently under construction. The full project will be functioning in July 2024.
- The project total area is 103,000 sqm, which is considered very large compared to other projects in the city. 85% of the land is green spaces with recreational services for the project.
- There are 16 building, 10 floors each, and 1050 apartments, from 1 + 1, 2 + 1, 2 + duplexes, 3 + 1, 3 + 1 duplexes, 4 + 1 and 4 + 1 duplexes, to 40 commercial units.
