Project Overview

Project area
2.700 M²

It is a housing and investing project built on a land area of 2.700 Sqm, and the project is located directly on the E5 highway and the metrobus line.

The project consists of 2 blocks that contain 200 apartments of the types 1+1 and 2+1, in addition to 15 stores.

Project Site

The project located on the European side of Istanbul, in the central area of Sisli.

The project's area is one of the most important business centers in Turkey, due to its strategic location and distinctive return on investment.

The special location of the project in Mecediyekoy area, the destination for business, investment and shopping.

The unique location of the project in the center of Istanbul near the E5 highway, the main road in Istanbul that connects European with Asian side of the city.

The valuable location of the project opposite to Perpa Exhibition center, and only 2 km from Mecediyekoy area.
