## Project Overview

Project area  
**1.000** M<sup>2</sup>

It is a housing and investment project built by a well-known construction company in Turkey.

The project has built on a land area of 1000 square meters.

The project consists of 1 block of 15 floors, which contains 129 housing units and 8 commercial units.

The project offers apartments with different types of 1+1 and 2+1, and the sizes of the apartments vary between 53- 130 square meters.

# Project Site

The project located on the European side of Istanbul, in the Levent area, the most valuable area in Istanbul.

The project is being planned in the center of the city, specifically in a fast-growing district.

The special location of the project close to shopping malls, entertainment places, and business centers.
