Project Overview

In the privileged area of Kartal, on the Asian side of Istanbul, a huge complex is coming to life in which everything from shopping areas to a cultural center is located.

This great formation will add value to your homes and add a great dynamism to your life.

Project

Overview

The project has everything you expect, and more than a house! A beautiful view, spacious and comfortable houses, lush parks, activities, best location, higher ceilings, easy access and a valuable investment.

Words are not enough to describe the unique islands and sea view of this project.

But even more beautiful, this magnificent view of the project, rising on a hill overlooking the city, can be seen from all apartments from the ground floor to the top floor.

You will be one of the lucky people living in Istanbul and you will not be able to get enough of this magnificent view.

In order to enjoy the breathtaking view in summer and winter, all apartments have a balcony that can be closed with glass.

Project

Overview

A brand new flat concept from 2+1.5 to 5+1.5 is waiting for you in this project.

Our spacious, convenient, sun-drenched houses, which we designed according to the needs of families, are built with lossless architecture, all square meter you own doesn't go to waste.

Moreover, the glass-enclosed balcony in your home gives you extra living space.

In the heart of the project, you can see every shade of green with flower gardens, trees, green grass, water channels, children's playgrounds, bicycle paths, jogging tracks.

There is a huge living park for you to get rid of the stress of the day and breathe a sigh of relief.

In the life park, which will become the meeting point for the residents of the project and where many activities will take place, an open-air cinema for your summer evenings and a warm chat with your neighbors for your winter evenings.

It even has an outdoor fireplace.

Project Site

The project located in Kartal area, on the Asian side of Istanbul.

Kartal, the rising value of Istanbul, is also the new investment, life and business center of the Anatolian Side.

Kartal, which has become the privileged center of the new Istanbul with its 3.5 million square meter urban transformation area, hosts many quality projects, large commercial areas, universities, hospitals and Europe's largest Courthouse.

Standing out with its close location to Sabiha Airport and Atasehir Financial Center, Kartal is one of the areas that offer the easiest transportation in Istanbul with its ring roads, metro and sea transportation.

Project Site

Kartal, which will also have a giant campus, is one of the districts with a bright future in which to invest in Istanbul.

The project comes to life at Kartal's easiest point of transportation.

This unique project is 23 kilometers from the 15 July Martyrs Bridge, 25 kilometers from the FSM Bridge, and only 19 kilometers from Sabiha Airport.

With its unique location close to Kartal Sea Bus Pier, coastal road and Bagdat Street, it is in the middle of land, sea and air transportation.
