Project Overview

Project area
63.500 M²

Seafront apartments in a very special location in Istanbul, within a very high-end project in Zeytinburnu.

High luxury apartment in Zeytinburnu with charming sea view, close to the metro station, highways and the center of Istanbul.

Panoramic sea view from your kitchen and living room will add beauty to your life.

Not only a desirable home, but also an extraordinary life in Istanbul.

Project

Overview

The project offers concept flats that meets the needs of everyone, where you will sit opposite the sea and relieve your daily stress, as well as garden duplexes built just next to the unique landscape, playgrounds within the green areas, indoor and outdoor sports complexes, panoramic terraces to enjoy the bosphorus, blue tunnel that shortens your distance with the seaside, well-known brands and restaurants that will offer unique tastes from world cuisines at blue street, to optimize your life.

The flats in the project are very smart; life is more privileged thanks to the smart home systems.

All apartments in this project equipped with smart home system.

Comprehensive social facilities within the project for a quality life and a pleasant time.

There are panoramic terraces that offer unusual excitements in the project.

Blue Street that brings famous brands together will make you shopping routine easier and more joyful.

Project

Overview

Stores and commercial shops are available in the project, to ease the shopping for your home.

There are restaurants and cafe within the project so you can meet your friends and have a good time. Very stylish and practical homes are waiting for you in this project.

The project built on a land area of on 63.500 Sqm, approximately 130 meters distance between the blocks, and consisting of 6 residences plus 1 hotel block with its living spaces having 51.500 Sqm green areas.

With the VAT Exemption advantage, your deeds are delivered immediately, and the citizenship service is provided free of charge to you.

The project offers apartment options ranging from 1+1 to 5+1 in addition to garden duplex and penthouse.

Project Site

The project located on the European side of Istanbul, in Zeytinburnu district, on the shore of the Marmara Sea, just outside the walls of the ancient city.

The project located at the very intersection of all new transportation systems, road, sea and rail systems of Istanbul right beside the Historical Peninsula.

In this project, the sea will become part of your daily life. You can reach the marina with only one minute's walk from your home over the footbridge directly connecting the project to the shore.

In this project you will enjoy a life without traffic stress in the center of the city.

The major benefits of Zeytinburnu include central location, easy access, close distance to the historical peninsula and the coastal line that extends along the Bosphorus.

The value of the region continues to increase with the completion of Marmaray and Eurasian Tunnel and Metro investments.

The special location of the project in a close distance to Eurasia Tunnel that connects the European side of Istanbul with the Asian side.

Your apartment will be within a walking distance to Marmaray metro, where you can reach Uskudar and other areas in Asian Istanbul in a record time.
