The project was built on the European side of Istanbul, near to Basin Express road, on a land area 17.226 square meters.

It consists of two 150 meters high towers in the sky of Istanbul, one of which includes 721 apartments and the other a hotel building with 35 floors each, with suitable options ranging from 0+1, 1+1 and 2+1.

It is a housing project developed by a well-known construction company in Turkey.

The project was built on a land area of 11.000 square meters and it contains 432 apartments of 1+1 and 2+1 types, and 30 shops.

Each apartment is equipped with electric cooker, oven, refrigerator and air filter.

The most prominent feature of this project is its location between the main roads in Istanbul, E5 and TEM Highways which provides easy access to Istanbul International Airport.

The project has social facilities that offer you the comfort and luxury life you have always dreamed of, such as a basketball court, a football court, a fully equipped gym, outdoor swimming pool, children's swimming pool, gardens, shops and famous restaurants and cafes.
