## Project Overview

Project area  
**280.000** M<sup>2</sup>

The project was built on a land area of 280.000 square meters, and it contains 486 apartments.

In the project 0+1, 1+1, 2+1 and 3+1 apartment options are available.

The Residences in this project offered with upscale hotel services.

Expert management will be at your service managing your day to day needs beyond providing a concierge, housekeeping or room service, but they will be acting as an executive resource for your needs with an intimate grasp of your tastes and interests.

## Project

# Overview

This project is a “state of art” real estate project with sophisticated and stylish residences adjoining two of world’s leading hotel brands – Pullman and Mercure – and one of the biggest convention and performance centers of the city together with exhibition halls and facilities.

A sophisticated and stylish life style perfect for Global Citizens looking to establish roots at a well-designed, well-run property in Istanbul, one of most beautiful cities of the world, where historical and cultural wealth are displayed in between palaces, minarets, domes, museums and contemporary modern life.

Residences are offering privacy and individuality of a custom, one-of-a-kind homes with benefit of exclusive access to all services, privileges and amenities of a unique upscale world class urban resort.

Here your family will enjoy the colorful child friendly ambience.

## Project

# Overview

The fitness center in this project is more than a great place to work out. Here you will be helped to exceed your goals and improve your overall health.

After a long day in Istanbul, you deserve to be spoiled in the 2.750 sqm Spa and Wellness center with traditional separate Turkish Hammams for ladies and gentlemen together with saunas and steam rooms.

All is for the ultimate experience of luxurious pampering to rejuvenate both your body and soul.

Myriad of exciting and dynamic food, beverage and entertainment options, providing the perfect setting for a relaxed environment with family, friends or a post-meeting catch-up with colleagues. Chic signature restaurants and bars offering an unparalleled culinary and entertainment experience.

Every corner in the project is designed to serve your needs to enjoy the freedom of living in a relaxed, effortless and upscale environment.

## Project Site

The project located on the European side of Istanbul, on Kucukcekmece district, next to the E5 Highway, one of the most valuable points of Istanbul.

The project located at the intersection of Bahcelievler and Bakirkoy districts, along the route where Istanbul's educational institutions, services and commerce industries.

The distinctive location of the project near to the transportation network, residential projects, business centers, hotels and shopping centers enable you to invest in a district that grows each year.

Your home will be close to Basin Express Road, the center of business, in addition to many shopping centers such as Mall of Istanbul and 212 Outlet.

Many universities and educational institutions located in the projects' area, also you will have access to many hospitals.
