## Project Overview

It is a housing project developed in Esenyurt area.

The project consists of 148 flats in two blocks, also includes a bazaar section.

The commercial units in the project, has a 40-meter frontage, can be rented.

The project, which was implemented in Esenyurt, is close to the city and offers a life isolated from the city crowd at the same time.

## Project

# Overview

In the project, %60 is allocated to green areas, 1+1 apartments are designed as 65 to 80 square meters, 2+1 apartments 120 to 135 square meters, 3+1 apartments 165 to 195 square meters.

In this project, which has a green area of 2.500 square meters, all the needs of the homeowners will be met with the shops at a distance of 15 meters.

## Project Site

The project is located in the Esenyurt area on the European side of Istanbul.

The project is located in one of the best residential neighborhoods in which schools, hospitals, and all services are available that meet your needs and the needs of your family.

The project located in a vital area near metro, schools, universities, hospitals, parks and other essential services.
