Project

Overview

In this project, you will have the most practical experience in Istanbul, where your home and office are at the same location, in the center of the city, within a walking distance of public transportation.

In this project, you will see your home from the window of your meeting room and will see your office from the window of your living room.

In this project, the offices and residences meet, that it includes 165 residences with the type of 1+1 and 2+1, 52 offices with 233- 321 m2, and 15 prestigious commercial units.

The project is designed with art, built with technology. It is satisfactory in every detail.

The project offers an exceptional investment opportunity on the E-5 highway, guaranteeing a high return.

Project Site

The project located in the Atakoy district on the European side of Istanbul.
Atakoy, one of the oldest and most elite districts of Istanbul, meets with the most modern and luxurious project.
The prestige is reflected in Atakoy with its offices, shops, and residences.
The project is located between the Metrobus and the Metro stations and it is near to CNR – Eurasia's largest exhibition area- and is on the E-5 highway. Therefore, it is at the heart of Istanbul's transportation network with the office and residence blocks at the easiest point to reach.
