An architectural rendering of a modern residential development. The scene shows a central paved street with a yellow brick-paved sidewalk on the left. A person is riding a bicycle down the street. On the right sidewalk, a person is pushing a stroller and another is taking a photo. The street is lined with lush green trees and flowering plants. In the background, there are multi-story apartment buildings with balconies and large windows. The sky is blue with scattered white clouds. A semi-transparent white text box is overlaid on the right side of the image.

This project was built on 180.000 square meter land area. It contains 1.500 residences and 23 shops in total. It has 1+1, 1,5 +1, 2+1 and 3+1 apartments. The areas of the apartments vary between 98 square meters and 126 square meters.

The project located in Cekmekoy district in the Asian side of Istanbul, which considered as the modern face of Istanbul and one of the most important investment centers in the city.

Its strategic location in the center of transportation network, the green areas and the opportunities for social activities.

The project has social facilities that offer you the comfort and luxury life you have always dreamed of, such as a basketball court, a football court, a fully equipped gym, outdoor swimming pool, children's swimming pool, gardens and shops.
