Project Overview

The project has been built by a well-known construction company with more than 65 years of experience.

The project was designed to offer comfort and luxury to its residents as well as a spacious life.

Project

Overview

This project in Çengelköy, which respects the centuries-old history of Çengelköy area, is located where you can find traces of the past, where the old is preserved and the new grows; in the middle of the Bosphorus, history and nature, it is the most vivid example of the continuous 15 Temmuz Şehitler Bridge, bridging culture of life despite the passing of time.

Now you have a good reason to get lost in time in this unique Bosphorus village.

Our social facilities are at your service to offer you a fun and safe activity with your loved ones.

Project

Overview

In each of the 207 apartments in the project consisting of 12 blocks, carefully created architectural details offer you solutions that make life easier.

This project, which goes beyond dreams and borders, is a housing project designed with fine tastes and an extraordinary quality of life, proof of how big a place a person can have in this life.

The happiness, peace and tranquility that fills you as soon as you step inside the entrance.

A privileged feeling of life, an example of the living standards this project promises you.

With the walking and running tracks surrounding your home, you will have the freedom of movement that you have always valued. You will enjoy the viewing terraces with your surroundings.

Project Site

The project is located in Çengelköy area on the Asian side of Istanbul.

Thanks to the advantageous location of the project, you will experience the privilege of reaching every point of Istanbul comfortably and quickly from your home.

Enjoy the privilege of being in the center of Çengelköy, in a location overlooking the Bosphorus, between two bridges, in a location that offers easy access to everywhere.

Reaching your home in minutes as soon as you get off the bridge with your car, or taking a nostalgic Bosphorus cruise from Çengelköy Pier is a part of life for those living in this project.
