Project Overview

Project area
20.000 M²

It is a housing project developed by well-known construction companies in Turkey.

The project built on a land area of 20.000 m².

The project consists of 4 blocks of 8 floors, that include 133 residences and 28 commercial areas.

Flat ranges in square meters in the project from 161 to 624 m².

In this project, beautiful views, shopping stores, and green areas will be part of your life.

The project located in the center of Basaksehir area on the European side of Istanbul, close to Istanbul Airport.

Project Site

The project located in Basaksehir district, on the European side of Istanbul.

The project is surrounded by several important commercial malls, such as the Mall of Istanbul.

The project is also located at a distance not far from the Istanbul New Canal project.

The project located near several private and governmental schools. The distinctive location of the project in the most attractive areas for foreigners to buy a property, because of the integrated services for residents and high investment returns for investors.
