Project Overview

Project area
7.000 M²

It is a housing and investing project built on a land area of 7000 m².

The project consists of 3 blocks with 10 floors each, that contain 187 apartments.

The project offers apartment options from 2+1 to 4+1.

The apartment areas ranging between 93- 258 m².

All apartments in this project are constructed with first-class material.

There are many options for big families, newlyweds, and the ones who only wish to invest in this project.

Project Site

The project is located on the European side of Istanbul in Kagithane area, one of the fastest-growing areas in the city. Kagithane area is considered as one of the most important areas that attract real estate investors due to its central location in the heart of Istanbul. Kagithane area is located near Taksim Square and Levent, and it is close to shopping malls, the fast side, and Istanbul's third airport. Kagithane area is characterized by the availability of major services and the availability of public transportation. There are two metro lines that lead to the Kagithane area.
