Project

Overview

Project area
30.000 M²

The project was built on a land area of 30.000 square meters. It consists of 6 blocks of 12 floors that contains 442 flats of different options 2+1, 3+1 and 4+1, in addition to 100 shops.

70% of the total area of the project covered by green areas.

High-quality materials used in the project.

Project Site

The project located in the European side of Istanbul in Beylikduzu district, the modern face of Istanbul and one of the most important investment centers in the city, where there are shopping malls, universities, health and educational institutions. The project has a unique strategic location, accessible from all parts of Istanbul without traffic problems in the shortest possible time.
