Project

# Overview

23,500 m<sup>2</sup>

The project is built on 23,500 square metres land area.

Project

# Overview

The project consists of 4 buildings, divided into two main blocks: residential apartments and hotel apartments. It contains 142 apartments, different sizes and styles, starting from 1 + 1 up to 5 + 1.

Project

## Site

The project is located in **Sariyer** district in the European section of **Istanbul**. Which gives it a strategic location and proximity to the best universities, transportation, public and private hospitals, and most importantly famous shopping centres.

## Project Site

In addition to its special natural atmosphere, **Sariyer** is known of its quiet life style and distance from traffic noises, which made it a destination for people to enjoy not just its beauty, but also comfort and pleasure all together.

Project

## Site

In addition to its **Bosphorus open view** and gardens, especially, the wonderful Japanese garden, tea gardens, and the sea coast parks, we also have the famous **Belgrad Forest** with its lush mountains, which forms the link between the Bosphorus line and the Black Sea, all of this only to make the area more unique.
