Project

Overview

A new residential investment project in the Ispartakule district on the European side of Istanbul, which is one of the most attractive and active areas. This project was designed to be the exception and the first choice for a living and for investment as well, due to its proximity to the project of the new Istanbul bridge, which is under construction.

Project

Overview

The total area of the project land is approximately 3300 square meters, of which 1100 square meters have been allocated for green spaces with modern and elegant designs.

The project consists of 78 units divided into 13 floors and offers apartments of 1 + 2 and 1 + 3 types.

Project Site

The project is Located above Kucukcekmece Lake, Cade Ispartakule guarantees a peaceful and green settings, away from the hustle and bustle of city life and a wonderful open view of the lake.

Project Site

The new M7 subway line, which is under construction, will be very close to the project. The proximity to Marmara Station and TEM Highway enables the residents to travel to the other side of the city.

The area is surrounded by all public transportation, shops, restaurants and cafes.
