Project Overview

Project area

75.000 ^{M²}

It is a luxurious and the most environment friendly project built by a well-known construction company with 20 years' experience.

The project contains 85 private villas built on a land area of 10.000 square meters.

The project has a total green area of 75.000 square meters.

The project offers 5 different types of private villas, with areas vary between 300- 1500 square meters.

The delivery date of the project is December 2021.

Project Site

The project is located on the Asian side of Istanbul, in Cengelkoy district.

The distinctive location of the project near the transportation network.

The project is 25 minutes to Sabiha airport.

Art, fashion, shopping, education, health, sports...
Whether it is for business or private purposes,
you can easily reach all areas of life, and benefit
from all the opportunities of the city.

You will experience the Istanbul that you miss,
with its nature, people, and serenity.

You will be able to reach the forest in just a
few steps and make long journeys.
