AREA
BAHCESEHIR

532

Project

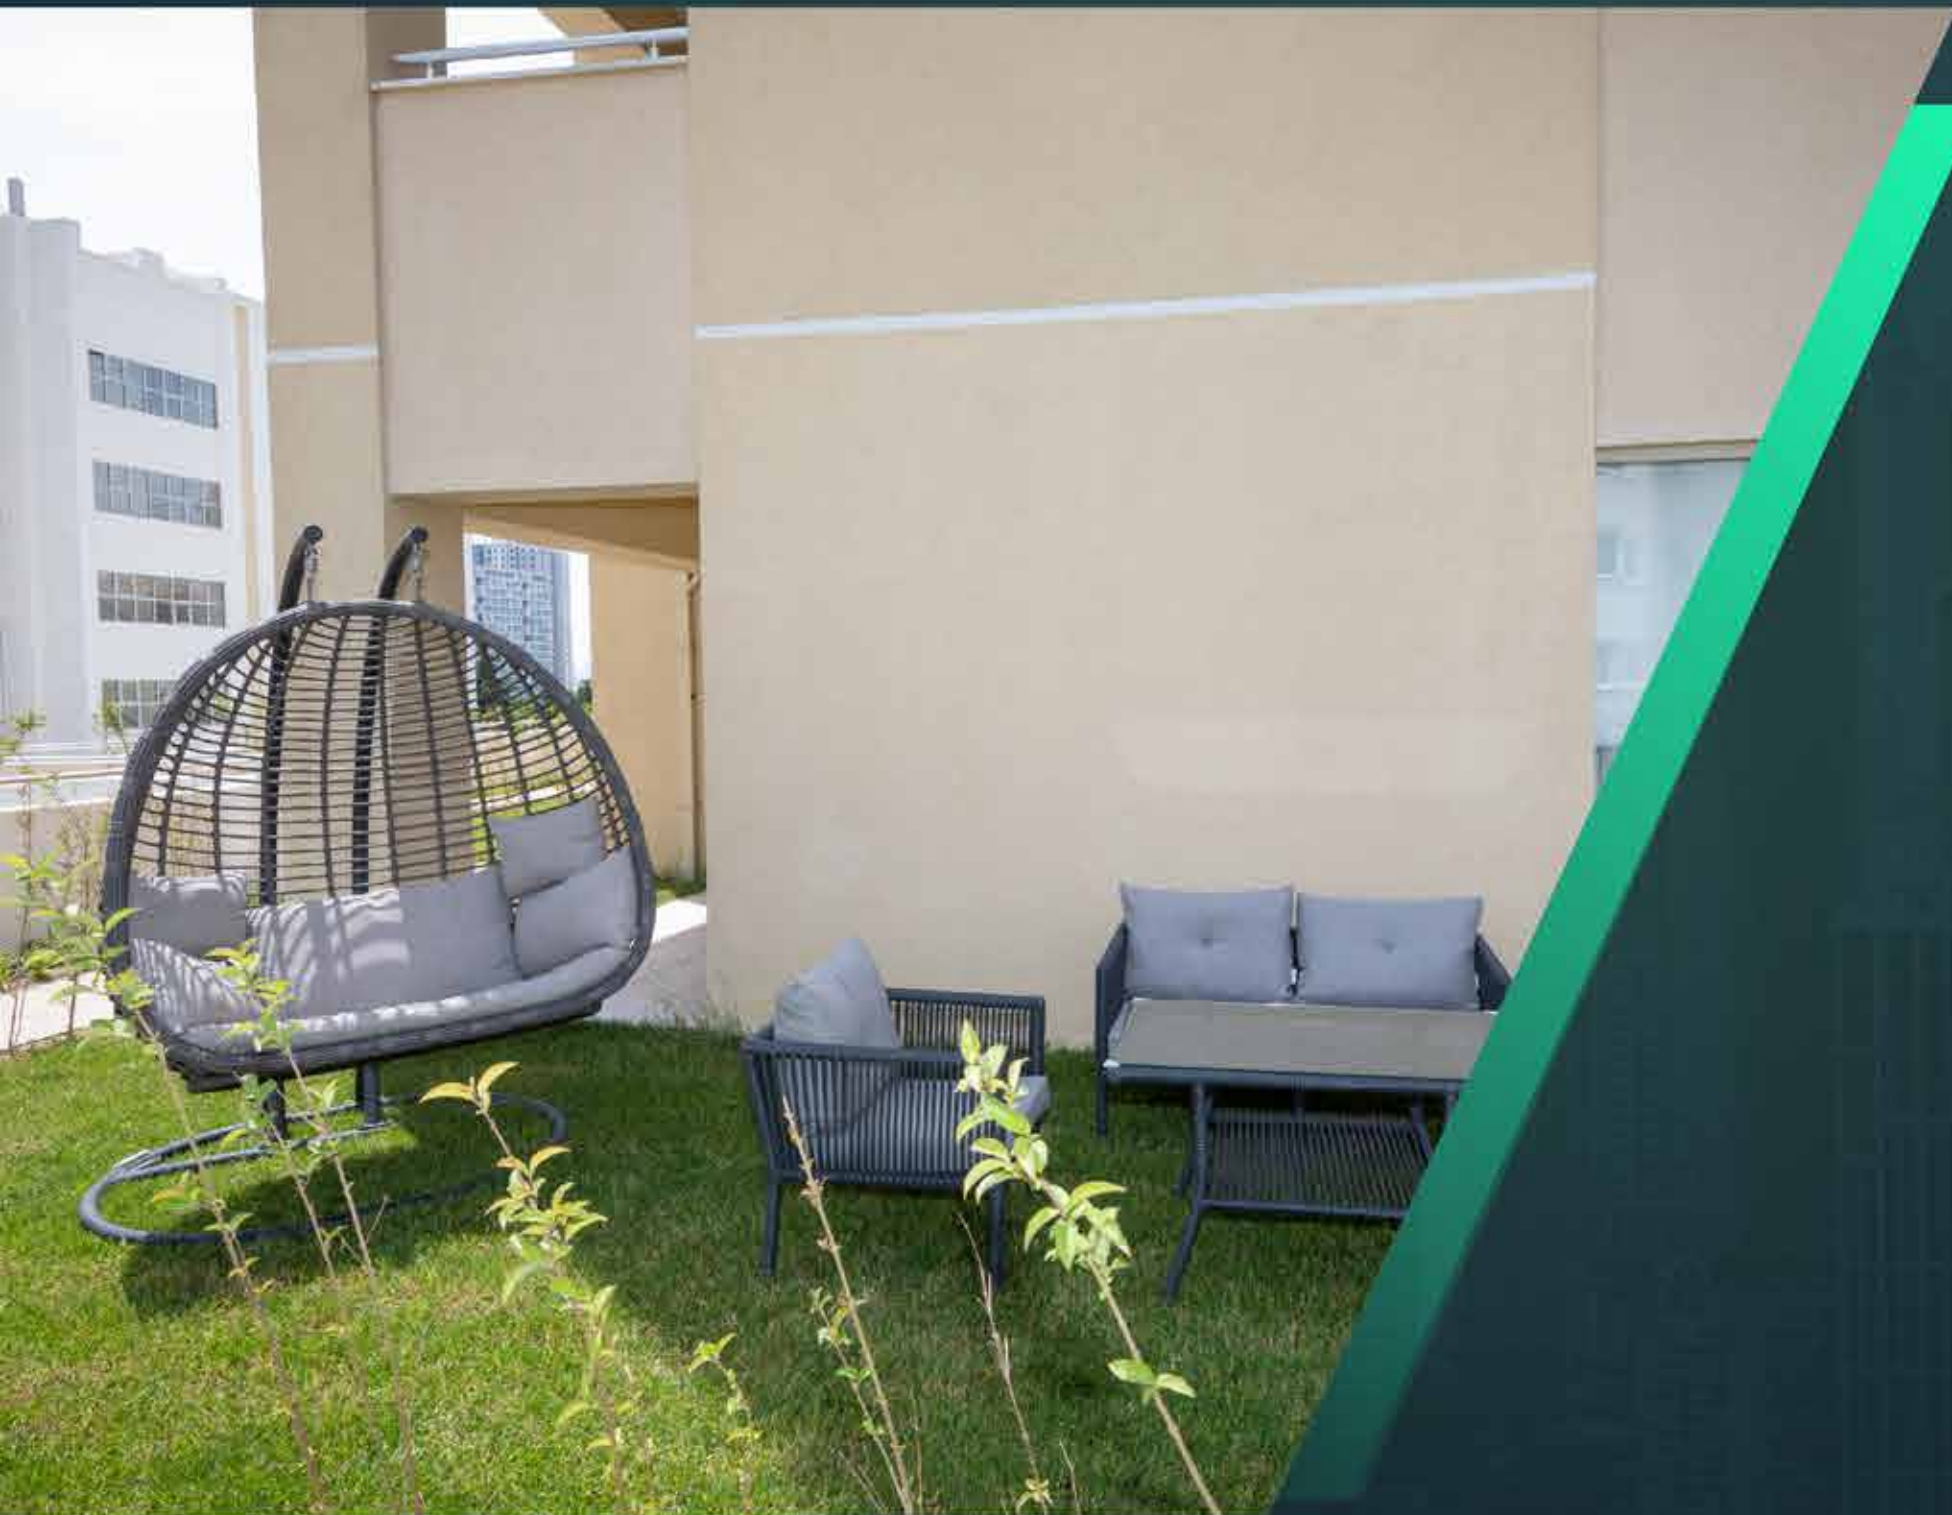

Overview

The project is located on the European side of Istanbul, specifically in Bahcesehir, which is an important area in terms of investment and close to major transportation routes such as TEM and North Marmara Highway.

Project

Overview

The project area is 9271 square meters and the construction area is 25 thousand square meters, providing you with a suitable life that you will undoubtedly enjoy.

Many choices are available in front of you.

Where the project consists of two blocks, 10 floors in the building, 2 + 1 and 3 + 1, a total of 84 flat options and 7 stores.

Project Site

The project is located in Bahcesehir, which has become one of the most desirable areas to live in. It has also been called the City of Gardens, due to the expansion of green spaces and the beautiful view of Kucukcekmece Lake and the future Istanbul Canal.

Project Site

This section belongs administratively to the municipality of Avcilar, and in the near future this region will separate to become the municipality No. 40 in Istanbul under the name of Bahcesehir Municipality.
