Project

Overview

4000 m²

Family project with views of Kucukcekmece Lake.

The land area is 4000 square meters, and the green spaces represent 65% of the project.

Project

Overview

The project consists of 2 buildings, comprising 170 apartments of 2+1 and 3+1 types. The project is suitable for citizenship with a Noter contract for the time of extracting the title deed.

Project Site

The project located in in Kucukcekmece area on the European side of **Istanbul**.

The special location of the project close to the beautiful **Kucukcekmece Lake**.

The importance of this project lies in its closeness to Kanal Istanbul. The project is a walking distance to Kucukcekmece Marmaray Metro station . It is also a walking distance to Kucukcekmece Metrobus station, and a few steps to the lake.

Project

Site

The project located close to the most important transportations that facilitate access to all parts of Istanbul, the most important of which are the Metrobus line, Marmaray metro line, and E5 highway.
