Project Overview

We invite you to a brand new life where you will listen to the heartbeats of Istanbul.

This project invites you to a unique experience with its architecture, every detail of which is designed according to your expectations, so that you can live happily in all four seasons.

Project Overview

The project consists of 1 building that contains 25 apartments, and it offers apartment options of 2+1 and 3+1 duplex.

A family project in a privileged location near the highways and main services that meet the needs of the family.

The project is ready for housing, and the title deed is ready, and it is suitable for obtaining Turkish citizenship.

Project Site

The project located in Kucukcekmece area on the European side of Istanbul.

There is 5 schools around the project area and 8 educational institutions.

The special location of the project close to the beautiful Kucukcekmece Lake.

The importance of this project lies in its closeness to Kanal Istanbul.

The project is a walking distance to Kucukcekmece Marmaray Metro station .

It is also a walking distance to Kucukcekmece Metrobus station, and a few steps to the lake.

Project Site

The project surrounded by many of shopping malls, univesities and hospitals.

The project located close to the most important transportations that facilitate access to all parts of Istanbul, the most important of which are the Metrobus line, Marmaray metro line, and E5 highway.
