Project Overview

Project area
5.000 M²

It is a residential and investment project under construction belonging to a real estate development company with long experience in the field.

The project is being built on a total area of 5.000 square meters, and it consists of two buildings in Beylikduzu, near West Istanbul Marina.

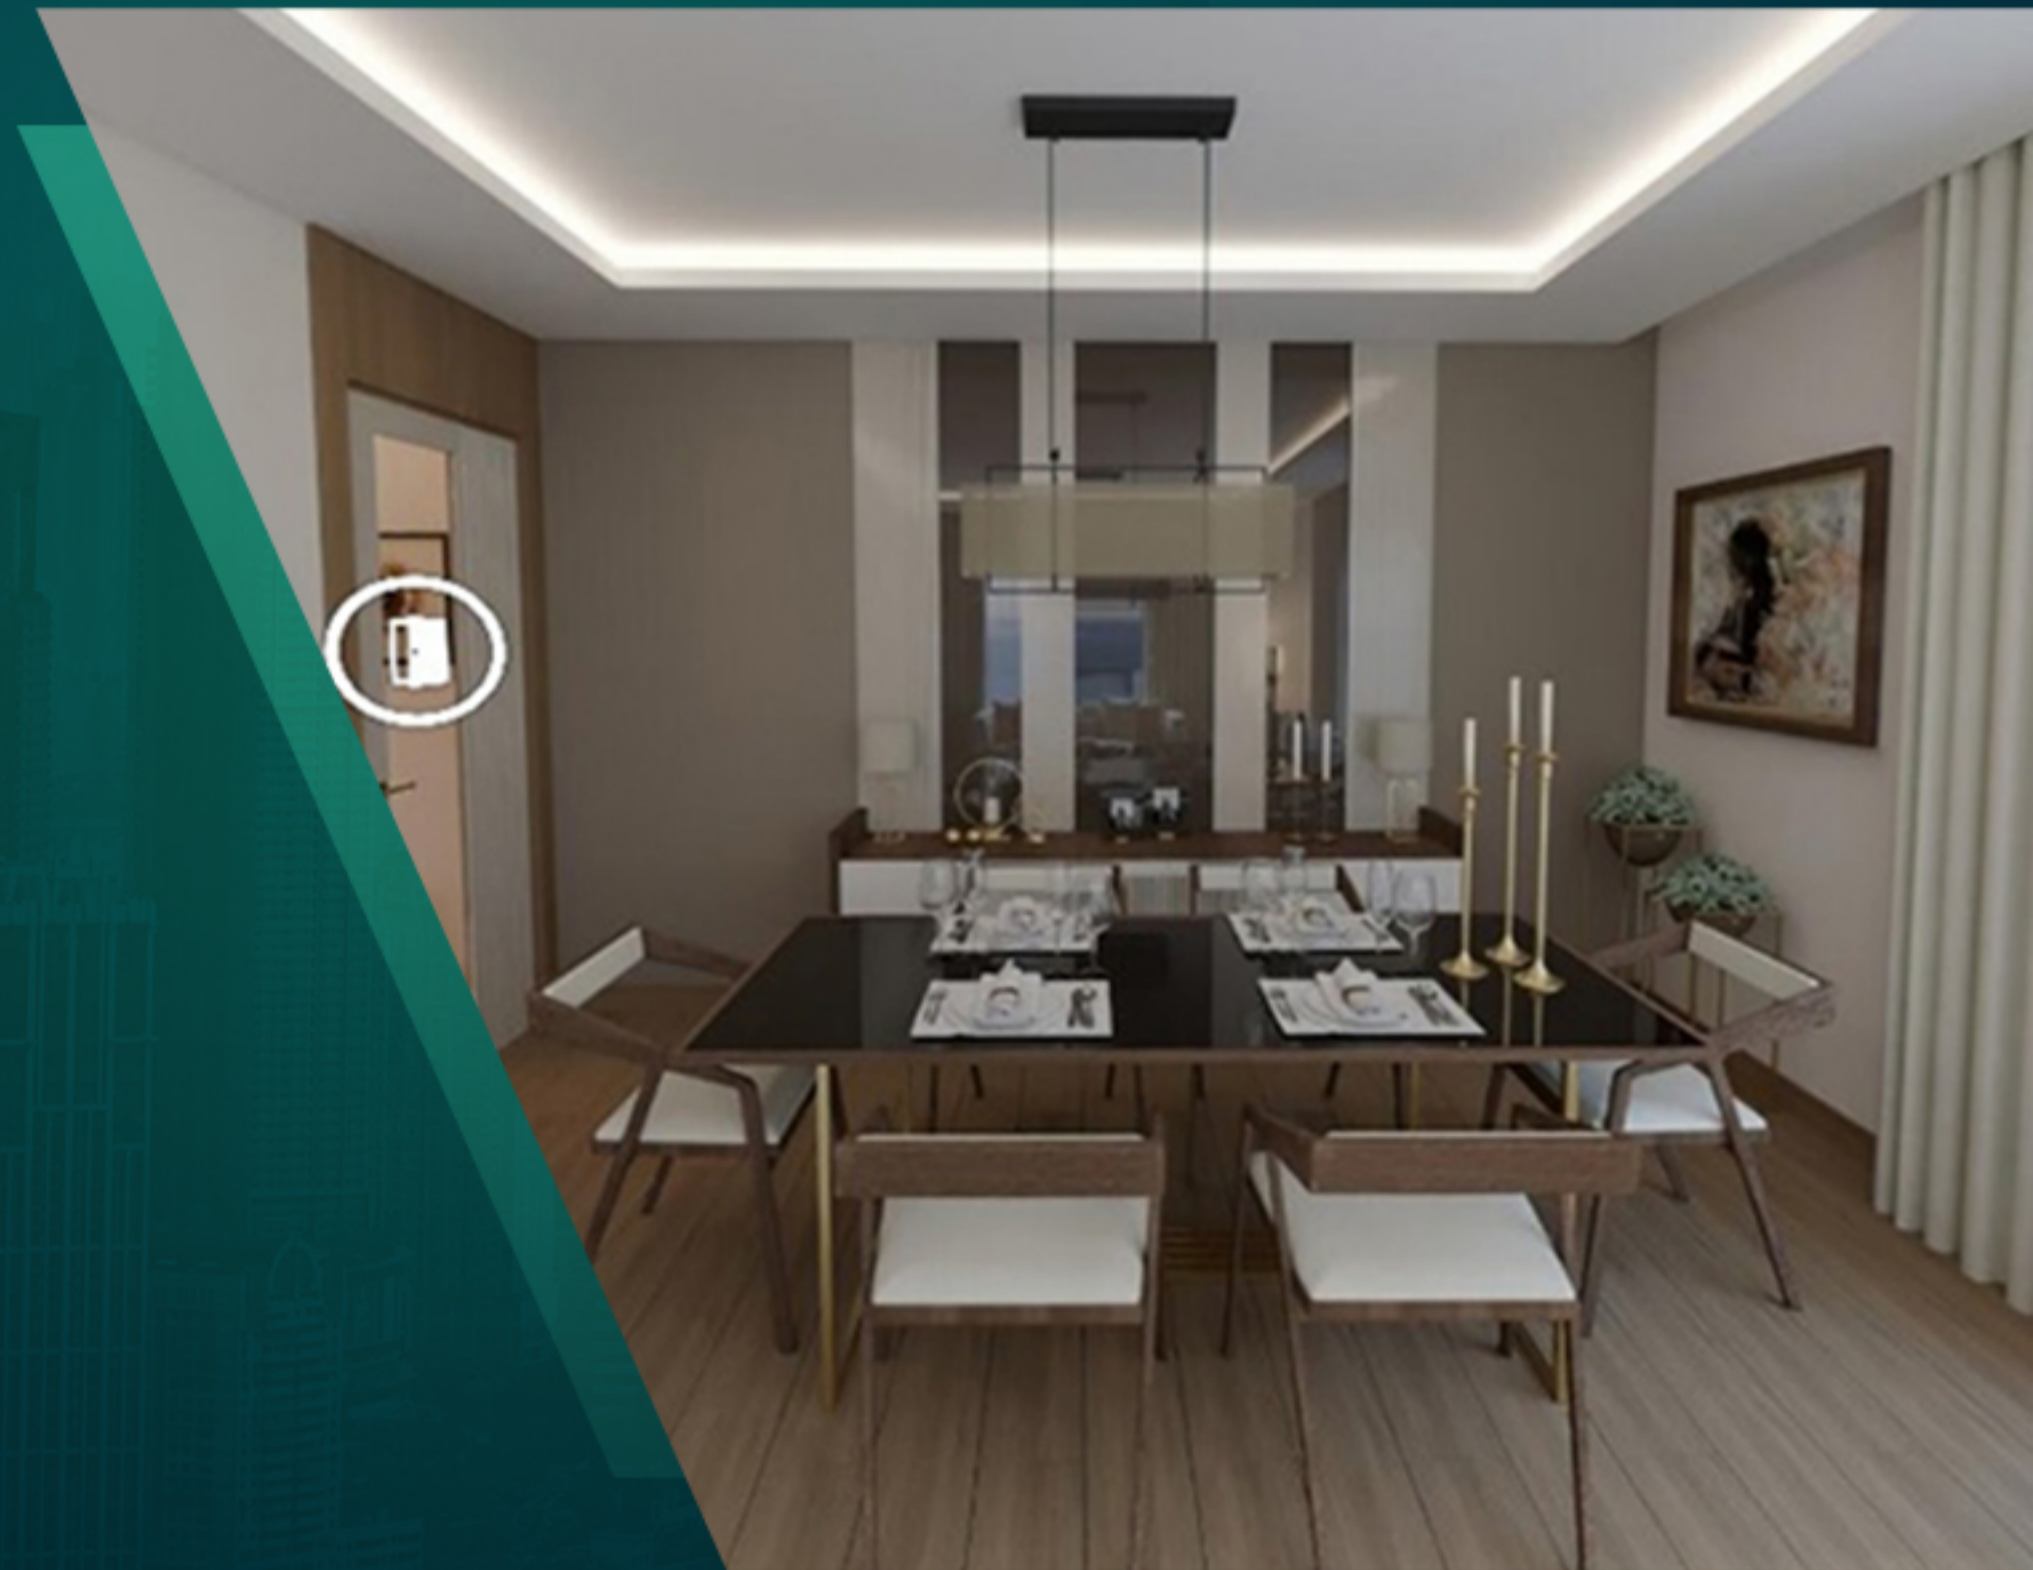

Project

Overview

The buildings consist of 5 floors, and the apartments within the project have sea view and interior view of the complex.

One of the advantages of the project is that it is 5 minutes from the coast and 15 minutes from West Istanbul Marina in an integrated service area with stunning views and a high standard of living.

The project is still under construction, and the project delivery date is August 2022. The title deed is ready and the project is suitable for Turkish citizenship.

Project Site

The project is located on the European side of Istanbul, in Beylikduzu district, near West Istanbul Marina.

The project is distinguished by its unique strategic location, as it is easily accessible from all parts of Istanbul without traffic problems and in the shortest possible time.

The project is located directly next to the Marmara Sea and West Istanbul Marina, where there are many restaurants, cafes and various entertainments.

The project is located in Beylikduzu area.
The location is convenient near the sea.

Nearby are a number of commercial centers, public transportation centers, hospitals, schools, and public and private universities.

Beylikduzu is suitable for families, as it contains social facilities, shopping centers, gardens, and other basic services that guarantee families a luxurious life.
