real estate consultancy

The project was built on 16.000 m² land area and it consists of 464 apartments in 6 blocks between 80-162 m² and 84 shops.

A happy and luxurious life awaits you in this project, where shopping malls, hospitals, schools and universities and other essential services just next to you.

The image shows a modern, multi-story apartment building with a light-colored facade and balconies. In the foreground, there is a swimming pool with a wooden deck, lounge chairs, and umbrellas. The scene is bright and sunny, suggesting a high-quality residential development.

The project located on the European side of Istanbul, in Beylikduzu district, the modern face of Istanbul and one of the most important investment centers in the city, where there are shopping malls, universities, health and educational institutions. It is strategically located in the city center where transportation options, green areas and social activities are available.

The project has social facilities that offer you the comfort and luxury life you have always dreamed of, such as a basketball court, a football court, a fully equipped gym, outdoor swimming pool, children's swimming pool, gardens, shops and famous restaurants and cafes.
