## Project Overview

Project area  
**2.007** M<sup>2</sup>

The project located in Beylikduzu area, at the zero point of the E5 highway.

It consists of one building with a home office system which is built on an area of 2.007 sqm.

There are 72 apartments with different styles of 1+1 and 2+1, in addition to 11 commercial shops.

The project offers comfortable living opportunities to home buyers with its several social opportunities.

## Project

# Overview

Security, lobby, parking spaces, and many other facilities within the scope of the project stand out as features that will add value to your life.

Moreover, you will find many services that you may need in the housing project, such as cleaning and technical services.

Now you can buy one of the apartments for sale within the scope of the project, also your title deed is ready!

Apartments for sale in Istanbul Beylikduzu suitable for Turkish citizenship.

Delivery date of the project is 12/2022.

## Project Site

The project located in one of the most central locations of the city, in Beylikduzu area.

It is located 10 minutes from Istanbul West Marina.

The project is right next to the E5 Highway, so it is only 1 minute away from the metrobus station. Marmara Park Shopping Center and 5M Migros are only 1 minute away from the project.

There are many shops, grocery stores, restaurants and cafes, which are only a few minutes away from the project.

The project, which is at a distance of 3 km from the Yasam Vadi park, is 8 minutes away from important educational institutions such as Beykent University.
