Project Overview

Project area
3.625 M²

It is a housing project built on a land area of 3625 square meters.
The project built by one of the best construction companies in Turkey.
The project is a single block of 12 floors, that contains 36 apartments.
The apartment sizes are varied between 125- 221 square meters.
The apartments have different types of 3+1 and 4+1.

Project Site

The project is located on the European side of Istanbul, in the center of Basaksehir district, one of the most important real estate investment areas in Istanbul, which is increasingly on-demand. The distinctive location of the project in the most attractive areas for foreigners to buy a property, because of the integrated services for residents and high investment returns for investors. The project is just 2 minutes from the highway and only 20 minutes from Istanbul New Airport.
