Project Overview

Project area

7.465^{M²}

A residential and investment project with charming views of the Marmara Sea and Buyukcekmece Lake.

The project is built on an area of 7465 square meters.

The project consists of 2 blocks, each containing 12 floors. The project includes 212 residential units and 7 commercial units.

The housing units available in the project vary between 1+1, 2+1 and 3+1.

The units feature panoramic sea views, and large areas of the apartments from the inside starting from: 99 square meters for 1+1 units, 147 square meters for 2+1 units, 155 square meters for 3+1 units, and 191 square meters for 1+3 units. Project delivery date: June 2021.

The title deed is ready and the project is suitable for Turkish citizenship

Project Site

The project is located in Buyukcekmece district on the European side of Istanbul.

The project is located on the road connecting the E5 and E80 roads.

The project is located next to elite schools, hospitals and shopping centers, and the project also provides an advantage by being close to the main roads, and the project is only 800 meters from the sea.

Buyukcekmece district is distinguished by its proximity to important areas in Istanbul, such as Beylikduzu and Bahcesehir, in addition to its proximity to the main roads in the city.

Buyukcekmece district is a lively residential area, fully serviced and available with public transportation.
