## Project Overview

This residential project is developed in Bomonti area, in the heart of Sisli.  
The project consists of a single building that is ready to move.  
It is a boutique project consists of 55 apartments with the types of 1+1 and 2+1.  
There are 11 apartments on every 5 floors in the project.

## Project

# Overview

The total area of the project is 1.000 square meters and the construction area is approximately 7.000 square meters.

Within the scope of the residential project, there is a well-equipped fitness room, so that, the residents will be able to do sports however they desire.

The title deed is ready, as soon as you buy a property in the project which is suitable for Turkish Citizenship, you will be able to get your deed right away.

The project located on the European Side of Istanbul, which offers its buyers a comfortable life with the opportunities it offers.

## Project

# Overview

A quality housing project located in Sisli, which also stands out with its proximity to business centers, presents a brand-new living space by remarkably reducing the time spent between home and work.

Holdings and companies in this area, which is located in the city center, will be within a walking distance from your home.

## Project Site

The project is being planned in the center of Sisli, specifically in the fast-growing Bomonti district.

The project located in one of the most popular districts on the European side of Istanbul, Bomonti, the growing region that attracts investors' attention currently, and recognized by easy access to most of the vital places in the city, and its proximity to the shopping centers, airports, hospitals, universities, and schools.

A mixed project close to Beyoglu, Besiktas and Maslak axis may seem like a dream to you.

Now you can add to this dream the comfort of being located at the intersection of important transportation routes.

After leaving your house, you can walk to Mecidiyekoy, Sisli and Nisantasi in minutes.

## Project Site

You can reach the beach with Dolmabahçe tunnel and the TEM highway with Kagithane tunnel.

You can connect to life with Sisli/ Mecidiyekoy and Osmanbey metro stations, which are within walking distance.

Residences for sale in Bomonti, the area which is the center of cultural and artistic activities in Istanbul, becomes indispensable for those who want to feel the texture of the city to the fullest in their living space.

Entertainment venues, especially in Bomonti district, will support you in having a good time with your family or friends.

Sisli Bomonti, known for its proximity to all central transportation networks such as metrobus, metro, bus or minibus, draws attention as it is only within walking distance to central areas of Istanbul such as Taksim and Mecidiyekoy. Besides, this area also enables you to spend your time more quality.
