# Project Overview

It is a residential project located on the European side of Istanbul.  
The project offers apartment options that vary between 1+1, 2+1, and 3+1.

# Project Site

The project is in the Esenyurt area on the European side of Istanbul.  
Its location near the Metrobus is the most important means of transportation in Istanbul, in addition to its proximity to shopping centers and shops.  
It is located near the project.  
It is located in a neighborhood located in residential neighborhoods where schools and hospitals are located.
