Project Overview

Project area
16.863 M²

It is a residential and investment project built and developed in Kucukcekmece district on the European side of Istanbul. The project is built on a land area of 16.863 square meters, and it consists of 5 buildings comprising 326 houses and 9 commercial units. The project offers a variety of apartment options 1+1, 2+1, 3+1 and 4+1 to meet different demands. The areas of the apartments range from 70 - 203 square meters.

The title deed is ready and the project will be delivered in 2021. The project is suitable for obtaining Turkish citizenship.

Project Site

The project is located in Kucukcekmece district on the prestigious and well-known Halkle Street, surrounded by transportation networks. The project is located in the center of Istanbul and it is very close to the highways, Ataturk International Airport, hospitals, shopping malls, universities and five-star hotels.
