Project Overview

Project area
92.000 M²

The most attractive life project of Beylikduzu is located in a wide area of 92.000 sqm and consists of 17 blocks.

The project includes 1156 houses ranging from 1+1 to 4+1, and also 39 shops.

The project presents a vivid social life. Own the values of the future now.

Project Overview

Located on Yaşam Vadisi (Valley of Life), extending from inner Beylikduzu to the coastline, the project is distinguished from similar projects by being located at a walking distance to leisure, recreation/entertainment and sports areas, education and health facilities, and to various public services.

With its botanic garden, unique nature and fresh air, Yaşam Vadisi (Valley of Life) comprises many various social facilities from sports to health, from training to culture, and awaits the project's privileged owners.

All apartments are very spacious in the project.

The space between the blocks reinforces the feeling of comfort. With high ceilings and wide windows from ceilings to the floor, absolutely every apartment gets light.

The project's green areas will add new colors to your life! From recreational areas to walking lanes, from pools to other sports facilities, from outdoor cinema to butterfly garden, there is something here that would attract anybody in your family!

Project Site

The project located on the European side of Istanbul, in Beylikduzu district, which is known as one of the most promising areas with a high investment return due to the availability of public transport, shopping malls, educational and health services, and its overlooking Marmara Sea directly.

Beylikduzu is one of the new centers of maritime trade with its wide port, and of maritime tourism with its modern marina!

With its trained and tolerant population, wide and comfortable avenues, green areas surrounding the district, fresh air, developed education and health opportunities, it promises a colored and vibrant life.

The project located in the most popular district of Istanbul, means taking advantage of modern city privileges to the end.

The project is at a 3 minutes distance to Kavakli coast, and a 2 minutes distance to E5 and the metro stop.

Project Site

In this project, you will have the opportunity to be a neighbor to the greatest park of Istanbul, Yaşam Vadisi, with its many various social facilities and central transportation network! Established on an area of 1.000.000 sqm, Yaşam Vadisi is not only a unique and exciting municipal project for Beylikduzu, but also for Istanbul. The Valley, preparing to become the largest city park of Turkey, aims to be one of the new points of attraction of the city.

There is an Anatolian and a Science High-School near the project. Eğitim Vadisi (Valley of Education), neighboring the project, consists of many schools, ranging from kindergarten to university. It takes 5 minutes to go to school!

The project is close to the sea, it is only a few steps then you can sit in front of the beach and enjoy the sound of waves.

The distinctive location of the project on the E5 highway provides direct transportation to every point of Istanbul.
