Project

Overview

This project is a unique residential investment project located in Kartal, the Asian side of Istanbul. The Kartal region is known as the first destination for tourists and visitors, and it also became the focus of attention of capital and investors due to the rapid development it has witnessed in recent years.

Project

Overview

The project will be on a land area of 4,400 square meters and will consist of 2 blocks with a height of 13 floors each.

This project offers many unique privileges with apartment options 1 + 1, 1 + 2 and 3 + 1 with good sizes and excellent finishes, taking into account the exploitation of the space inside the apartment

Project Site

The project is located in the Kartal region, on the Asian side of Istanbul, which is one of the most important municipalities due to its location on the Marmara coast, as it is considered one of the main ports through which access to the Princesses Islands.

Project Site

As a resident of this project, you will enjoy stunning views of the sea from the south and a view of Aydos forests from the north, and at the same time you will be close to the main means of transportation, as it has a strong transportation network linking it to all parts of Istanbul and the passage of the highway E5 from it.
