real estate consultancy

It is a modern residential project developed by one of the most famous construction companies in Turkey.

The project was built on a land area of 979.555 square meters in Eyub district, on the European side of Istanbul.

The project characterized by its luxurious finishes and the quality of the materials used.

The floors in all the apartments are made of the finest types of parquet wood, tiles and ceramics.

In this project you will enjoy a comfortable and safe life equipped with the latest technology.

The project has a green garden with playgrounds, walking trails, shops and lots of services to meet your needs.

The project located in Eyub district, on the European side of Istanbul.

The strategic location of the project in the heart of Istanbul, where you can reach the most important and famous places such as Taksim, Sultanahmet, Sultan Eyub, Maslak, Besiktas, Emirgan Bosphorus Coast and Fatih Sultan Mehmet Bridge in only 10-15 minutes.

The location of the project is distinctive and attractive in a sophisticated investment area and a lively business center, located near the tram, metro and bus station.

An aerial view of a modern residential complex. In the foreground, a large, curved wooden deck is surrounded by people sitting and talking. To the right, a swimming pool is visible. The background features several tall, modern apartment buildings with many windows, surrounded by lush green trees and landscaping. The overall scene is bright and sunny.

The project has social facilities that offer you the comfort and luxury life you have always dreamed of, such as a basketball court, a football court, a fully equipped gym, outdoor swimming pool, children's swimming pool, gardens, shops and famous restaurants and cafes.
