Project

# Overview

The project was built on 23,000 square meters land area, green spaces represent more than 70% of the total area of the project. It consists of 5 blocks with 530 apartments.

Project

# Overview

Apartment options vary from 2 + 1 up to 5 + 1 with different types, as the apartments' spaces range from 111 square meters to 267 square meters. The project is scheduled to be delivered on 06/2024. All residences have large balconies designed to make the most of the sunshine intake indoors.

## Project Site

The project is located in Istanbul, Asia, in the Umraniye district, next to the financial center.

## Project Site

This project attracts attention with its apartment options specially designed for large families. According to the needs of the day, the project, in which the spacious spaces in the house as well as the balcony, and garden are carefully planned. It is distinguished from other projects by its large terraces, balconies, and gardens.
