Project Overview

Project area
4.200 M²

It is a housing and investing project built on a land area of 4.200 square meters.

The project consists of 2 blocks, one block with ground floor and 11 upper floors, and the other block with ground floor and 5 upper floors.

The construction area of the project is 25.000 square meters.

The project offers apartment options of 1+1, 2+1 and 2+1 with terrace.

The project includes indoor parking with a capacity of 165 vehicles.

The title deed is ready and the project is suitable for Turkish citizenship.

Project Site

The project located in Kagithane area on the European side of Istanbul, with close aproximity and development potential to business centers.

Because of this proximity to important locations, Kagithane will be a center of attraction both now and in the future.

One of the most important points is that our project is close to Cendere Street that connects the TEM Highway and E-5 and runs as far as the Golden Horn.

There are 12 universities and 8 hospitals around the project. The nearest hospital is 5 minutes away (Derindere Hospital) and the nearest university is 7 minutes away (Atlas University). The newly opened Metro (M 7) is a 2-minute walk away.
