Project

Overview

The project is being implemented and supervised by one of the most reliable and innovative companies in the field of real estate in Turkey

This project is being located in Zeytinburnu, the development and investment zone on the European side of Istanbul.

Project

Overview

It will also consist of 467 residential units and 15 commercial properties upon completion of the project .

The design was chosen based on the family concept on an area of approximately 18,000 square meters

This project is planned as apartments, 1 + 1, 2 + 1, 3 + 1, 4 + 1 and duplexes in nine blocks.

Project Site

The project is located in Zeytinburnu, which is a lively zone and has a great focus in terms of investment

You will enjoy a vibrant residential area around the clock.

You can enjoy an easy life without having to leave the complex. You will be just stepping away from walking trails, outdoor recreation areas, playgrounds and parks, and you will be able to relax and breathe fresh air whenever you want.

Project Site

The region is characterized by its proximity to the leading transport links, the E5 highway, and the location by the sea.

The project is located 11 km from the marina, and it is surrounded by private education institutions, universities, hospitals, and shopping centers.
