## why this project?

Breathtaking view of Marmara Sea.

Family concept homes for sale in Beylikduzu.

Choose from two to four-bedroom residences.

High quality of materials.

%70 green area.

Large balconies.

Excellent project with two social facilities for men-women separately.

Stores and branded boutiques for daily living within the site.

Turkish bath inside every flat of 3+1 and 4+1 type.  
1.5 km to metro station, 700 m to sea bus transport.

## Project Overview

Project area  
**40.000** M<sup>2</sup>

These properties have been targeted towards family living, there are no one bedroom residences here.

The project is being built on a land area of 40.000 sqm.

The project consists of 5 blocks of 12 floors that contain 300 apartments.

Buyers can choose from units ranging from two- four bedrooms in size, meeting the needs of both small and larger sized families.

## Project

# Overview

Within the project, the developer has included a wide range of on-site social and luxury facilities for residents to enjoy on a daily basis, including stores selling daily necessities, international branded boutiques, meticulous gardens,

swimming pools, and everything else you could imagine.

The apartments are designed with modern living in mind and offer open plan interiors, inviting the family to spend time together in the living room and dining area, whilst also equipped with overly spacious bedrooms for when privacy is wanted.

Each and every property within the project is equipped with spacious balconies measuring at least 17 sqm, providing ample room for you to wind down the day and relax with your loved one.

## Project

# Overview

Each and every property within the project is equipped with spacious balconies measuring at least 17 sqm, providing ample room for you to wind down the day and relax with your loved one.

Upper floors enjoy supreme views heading out towards the Sea of Marmara.

The project will be ready in September 2023. With a completion date the time to invest is right now before prices rise as the date of completion nears.

## Project Site

The project located in Beylikduzu area on the European side of Istanbul.

Beylikduzu is a popular spot for those looking to purchase a home in Istanbul at an affordable price.

Beylikduzu is full of all the expected facilities and is within close proximity to schools, universities, hospitals, shopping malls, and much more.

The E5 and TEM Highways are both easily accessible and provide links all over the city for those who are commuting and working in the center of Istanbul.

This luxury project is located in Beylikduzu area on the European side of Istanbul, which is considered one of the most vital areas in Istanbul because of its vital services and facilities and many picturesque coastlines, which has recently become a tourist destination.
