Project Overview

Flat areas
start from

49 M²

It is a unique designed project equipped with newest living facilities for those who want to live a modernistic lifestyle.

In this project, you can meet your daily needs from dry cleaning, tailor, hairdresser, cobbler, supermarket and pastry shop.

You will enjoy the luxurious life you chose for yourself while having your breakfast or having a coffee on your balcony.

The project has a lounge at the 48th floor with an incredible view of Istanbul.

Project Site

This project will captivate you with its strategic location, right next to Dolmabahce Tunnel and next to Istanbul's most central districts that you can reach only within a few minutes such as Taksim, Nisantasi and Besiktas.

The project located in Sisli near to Istanbul's culture, arts and entertainment centers.

It is a popular location, where all transportation options are available in there.

It is near to hospitals, schools, shopping centers and other essential services.
