Project Overview

Project area
13.053 M²

A residential and investment project built on an area of 13.053 square meters.

The project consists of 1 block with 12 storeys and total of 194 apartments.

Apartment types vary between 2+1, 3+1 and 4+1, and their areas vary between 80 and 180 square meters.

The project features a wonderful view of the lake.

The project is ready for delivery and immediate housing.

Project Site

The project located on the European side of Istanbul in Bahcesehir district, the prestigious and sophisticated face of Istanbul and the new attraction for real estate investments.

Bahcesehir is known for its rapid urban developments and its growing projects. Also, it is characterized by its nature, gardens and green spaces.

The project is close to Kanal Istanbul, the highways, Ataturk International Airport, and Istanbul Third Airport.

Metro Station will be in a walking distance from the project, which will be ready to use after 3 years.
