Project Overview

In Maltepe, the rising value of our city, our new project located, where dynamism and peace are combined and where the magnificent integrity of nature and sea view are blended, is waiting for you!

We offer a standard of living beyond your dreams, far above your expectations, in the decent and highest quality of life area of our Istanbul Anatolian Side.

Project

Overview

The project has been carefully and exclusively designed for you to step into a quality life.

The project built by a construction company that is known for its quality in the sector with its 35 years of experience and the architect of solid buildings, offers living space for more than 5 thousand people, as well as completed various projects such as work completion and public investment of over 400 million Turkish lira and continues to do so.

The project is one of the rare structures that we have brought together the criteria of aesthetics, architecture, livability, security and commercial investment opportunities of all times and that include the privilege and comfort opportunities we offer you.

With the assurance and pride of offering better and stronger living spaces at all times and under all conditions! the future is our all!

Project Site

The project located in Maltepe area on the Asian side of Istanbul.

Transportation in Istanbul is no longer a problem for you.

The project is located in Maltepe area, whose investment value is increasing day by day with alternative transportation networks such as E5 and coastal road, right next to the metro line, where you can easily reach every corner of Istanbul.

At the same time, it invites you to an attractive life with its proximity to shopping centers, hospitals, schools and public buildings.
