Project Overview

Project area
64.755 M²

A residential and investment project with direct views of the lively Basin Express Street.

The project land area is 9.281 square meters, and the construction area is 64.755 square meters.

A luxurious family residential complex consisting of 2 blocks (A. blok + B. blok) with a height of 18 floors for each building.

Project

Overview

Building A: available apartment types 1+1/2, 1+1 and 2+1, and each floor consists of only 12 apartments.

Building B: Available in 1+1 and 2+1 apartment types, and each floor contains 8 apartments.

Total apartments 352 apartments in both blocks.

Under the project there are 12 shops.
Delivery date 12/30/2024.

Project Site

The project is located on the European side of Istanbul, in the Bagcilar district, which is connected to the city center as it can be accessed from all parts of Istanbul.

The distinctive location of the project near the Basin Express road and basic services.

The project is established in an easy access point to the TEM motorway, the E5 motorway and the airport.

The strategic location of the project, where the Basin Express area is located within the area bordering the E5 highway on one side and the TEM line on the other, and it is 10 minutes away from Ataturk International Airport and the exhibition city.

Project Site

The area includes many shopping centers and commercial complexes, which makes the Basin Express area a commercial business center, the most famous of which is the Mall of Istanbul.

The main Basin Express is a few hundred meters from your apartment, and the TEM motorway is right next to you.

It is easy to access the different road options also from the project.

Mall of Istanbul and 212 Outlet Mall are just minutes away from your home.
