Project

Overview

Avrupa Konutlari is signing a project that will change the definition of luxury living in the most valuable and fastest developing area of Istanbul.

Are you ready for a life in the city center where you embrace nature and feel special every moment under the pine trees?

Project

Overview

In this project, the comfort of adults as well as children are taken into account.

There are swimming pools, where everyone from the age of seven to seventy will enjoy swimming in all four seasons.

Those who wish can enjoy the tennis or basketball court in the park area adjacent to the project, and those who wish to enjoy the freedom on horseback as well.

No one does not know the quality of Avrupa Konutları where perfection meets life in all apartments, from compact floors, windows to ceramics. Meticulously designed homes are your privilege.

Project

Overview

This project is for those who do not compromise on the happiness of their loved ones, who know the value of the breath they breathe, who raise the bar high and follow their passion, who cannot give up comfort, and who make winning a habit.

This project comes with 925 stylish apartments ranging from 1+1 to 5+1 in 19 buildings.

The project is 2 minutes away from the world-famous elite brands, delicious restaurants, cafes, concert venues and much more; It paints all the roads leading to happiness in front of you.

There are playgrounds for young children within the project where they can play with pleasure.

Project Site

The project is located in Kagithane district on the European side of Istanbul, near the luxury area of Maslak.

The location of the project is like no other, where it is very easy to reach anywhere you want whenever you want.

With your own car, it takes 1 minute to reach TEM Highway, 3 minutes to Maslak, and FSM Bosphorus Bridge only 5 minutes.

From Besiktas to Kartal, from Mahmud Bey to Mecidiyekoy, you will be connected to the entire metro network, and reach everywhere in minutes.

Do you want to open up to the world? Istanbul Airport is only 25 minutes away from the project.

The project is located very close to Vadi Istanbul, the most famous shopping and entertainment center in the city.
