Project

Overview

The project is built on 17,655 square meters, consists of 9 blocks with only 6 floors each. It contains 295 residential and investment apartments with various sizes and styles and many different views

Project

Overview

With its unique location and architecture in the heart of Besiktas, among the branches of 200-year-old trees that reach the sky with the blue of the Bosphorus. The project contains apartments with private spaces, gardens and large terraces that provide unlimited entertainment with social opportunities that help families spend enjoyable time together.

Project Site

The project is located
in Besiktas, on the European
side of Istanbul

The project is surrounded by
many commercial markets,
luxury malls, universities,
hospitals and government
centers in Besiktas

Project Site

You can go to the Bosphorus sea side and walk between the historic streets of Besiktas enjoying fresh air of gardens and lush trees.
