Project

# Overview

A luxury residential investment project under construction in Buyuk area, the European side of Istanbul. It is an area overlooking Büyükçekmece Lake, the largest lake in which it originated. And this is what distinguishes this project, a paradise overlooking the most beautiful landscapes.

Project

# Overview

The project land area is 11,900 square meters. Of which 8000 square meters were allocated for green spaces, i.e., exceeding 70% of the total area.

This project provides a variety of options according to tastes and needs

It consists of 2 buildings with a height of 14 floors.

Future residents can choose from 227 apartments of different sizes and types, from 1 + 1 to 1 + 4 With the allocation of 19 shops

## Project Site

The project is located in Büyükçekmece, on the European side of Istanbul. The project is characterized by breathtaking views of the Sea of Marmara and Lake Büyükçekmece. It also enjoys stunning landscapes and wide green spaces. It is the desired destination for those looking for tranquility and those wishing to get away from the noise of the city. In addition, there are several beaches suitable for swimming in the area

## Project Site

The project site is also characterized by easy access to shopping centers and hospitals. It is located right next to the metrobus.
