Project Overview

Project area
20.000 M²

A residential and investment project built on an area of 20.000 square meters in the Esenyurt area on the European side of Istanbul. The project consists of 5 residential blocks with 33 floors and includes 1550 housing units. The project provides options for apartments ranging from studio, 1+1, 2+1, 3+1, with areas ranging from 33 to 128 square meters. The project includes an area of 13.000 square meters dedicated to shops. 85% of the project area is dedicated to green spaces. The project is suitable for families.

Project Site

The project is located in the Esenyurt area on the European side of Istanbul.

The project is distinguished by its location near the Metrobus, the most important means of transportation in Istanbul, in addition to its proximity to shopping centers and shops.

Many parks are located near the project.
