Project

# Overview

New apartments under construction within one of the most developed projects in terms of urban renewal in the private sector in Istanbul.

The project will be built on an area of 3357 square meters, and it will consist of 48 apartments with different ceilings and striking architectural designs between modernity and history.

Project

# Overview

Apartment styles are available between 1 + 2, 1 + 3 and 1 + 4

This project will enable you to keep fit and increase your energy for a healthy life. It will give you the comfort of a 5-star hotel when you are at home, with an outdoor swimming pool, sauna and Turkish bath that will be good for your health and make you feel comfortable.

## Project Site

The project is located in Besiktas district, which is called the heart of European Istanbul due to its historical and cultural origin represented in museums, heritage palaces, mosques, social and cultural events, cafes and restaurants.

## Project Site

If you are a fan and lover of the city of Istanbul and want to dive into the depths of its civilization, then Besiktas region is the right destination.

Your home will be steps away from the city's main highways and roads.
