Project Overview

Project area
34.000 M²

The project is built on 34,000 square meters land area and it consists of 4 blocks, 76 residences, 166 offices and 20 shops.

The apartments options are varied and the sizes starting from 36 square meters up to 380 square meters.

A whole new life awaits you in this project, where you will experience the luxurious and comfort life in your home, in which the pool overlooking the Belgrad Forest, and you can watch the sunset on your wide terrace, get in shape in the fitness center and play with your children in the playground.

Project Site

This project is located in the European side of Istanbul, specifically in Maslak district, one of the largest real estate development areas in the city. The project is located on Cendere Street one of the busiest and most pivotal streets in Istanbul. The project is recognized with its innovative and low-rise horizontal architectural style. The doors of the project lead to shopping malls, public transportation, main roads, and to centers for art, sports and culture.
