Project Overview

101.000^{M²} Project area

A residential and commercial project located on the Asian side of Istanbul, specifically in Kadikoy, the center of modern residential and investment projects and one of the most beautiful areas of Istanbul.

The total area of the project is 101.000 square meters, and the land area is 8.274 square meters. The project consists of 3 blocks, comprising 467 apartments and 96 commercial units.

Project

Overview

The project has apartment options starting from 1+1 to 4+1, and all units are ready to move in immediately.

The project contains integrated social services and facilities, including the indoor and outdoor swimming pool, gym, sauna, Turkish bath, steam room, children's play areas, in addition to indoor and outdoor parking spaces.

The most distinctive feature of the project is its open views of the Marmara Sea, Camlica Hill and the beautiful city of Istanbul.

Project

Site

The location of the project is within the district of Fikirtepe, which is a reconstruction area, which is characterized by its centrality.

The project located close to all transportation, such as the metrobus station, Kadikoy metro station and Marmaray metro station.

The project is located opposite the famous Akasya Mall, one of the largest shopping centers in Istanbul, which includes many international brands.

These apartments are located in the heart of Fikirtepe, an area that is being renewed day by day, with a wide range of social facilities.

Kadikoy is a favorite place for upscale families and tourists from all over the world.

Kadikoy includes a number of prestigious neighborhoods, and the sea and Baghdad Street will be right next to you.

The project has a convenient location that provides easy access to bridges, airport and public transportation facilities.
