Project

Overview

Halkalı Nation Park is located right next to the project, with an area of 98.000 square meters, it offers all the beauty of nature along with sports, entertainment and playgrounds.

The project opens the doors to a happy life with the social opportunities it provides.

You can live an active life and enjoy every moment with the swimming pool, gymnasium, Turkish bath and sauna located within the social facilities.

This project will make your life more comfortable with its central location as well as the opportunities it provides.

In our project, where there are private storage areas for each residence, there is a closed car park for 374 cars for apartments and an open closed car park for 108 cars for shops.

Project Site

The project is located in Kucukcekmece district on the European side of Istanbul, among the most vibrant neighborhoods in Halkali, near Marmaray metro.

The project is located close to the city center, where you will be able to access the commercial and social life easily.

With its location close to places like Halkalı-Gebze train line, highways, hospitals and shopping malls, it will make you live a comfortable and distinguished life in Istanbul.
