Project Overview

Units
268

It is a housing and investment project, built on the Asian side of Istanbul by a well-known construction company in Turkey.

The project built on a land area of 21.800 square meters, and it consists of 4 blocks of 19 floors.

The project contains 268 houses in addition to the commercial areas.

The project offers apartment options of 1+1, 2+1, 3+1, and 4+1 with areas ranging between 63- 527 square meters.

The delivery date of the project is June 2021.

Project Site

The project is located in the Kartal district, on the Asian side of Istanbul.

The project designed in Kartal's most advantageous location, at the crossroads of metro-bus lines transfer station and highways.

The project is located in close proximity to the city's most refined districts. This includes one of Istanbul's most well-known shopping and leisure avenues, Bağdat Caddesi, and the vibrant Marina, offering an exceptional variety of boutiques and restaurants.
